In The Right Way*

By Kurt von Schleicher

Dear Friend,

Thank you for being interested in growing spiritually! With all due respect, have you ever stopped to consider who is directing your life? If you're the driving force in your life, you are bound for a major head-on collision. But choosing the right designated Driver will save your life!

Hey, as religious as talk about God may sound, it's imperative that you understand something. He has made it possible for you, even today, to establish a meaningful, loving relationship with the only One qualified to be in the driver's seat of your life. Jesus Christ is the only Driver you need! Why? Because He created you and has your best interests in mind. You see, God gave Christ alone to be the Person to guide your life and daily decisions. God has also given us the best road map. There is a sure and infallible way to your desired destination!

We're surrounded every day by people who are hurting. They feel guilty, lonely, empty and afraid to die, but that's why Christ came. They, together with Him, can really enjoy a very fruitful life full of significance, love and power! Perhaps you've felt that way before—like why go on? Listen, God is so eager to draw you close, that He has already made all the travel arrangements in advance. Your response to the warmth of His outstretched arms is the only thing that keeps Him patiently waiting.

Today, you can receive forgiveness and assurance of life everlasting, through faith alone in God's wonderful Son, Jesus Christ. You don't have to earn this privilege. The great fishing adventure—as I call it—that He has planned for you is all-expense paid! Read more to discover for yourself the joyful, non-religious reality in allowing God behind the driver's seat of your life.

*In the Fisher's mighty hand,

When you get the time, you'll love reading the Bible verses in their context. Read through whole books with a heart to apply. If a loved one writes you a love letter, you read the whole letter to get the full meaning, right? When you prayerfully read, you'll grow hungrier for God and His Word. When you don't read or (listen), hunger for God can totally evaporate. Some Christians are so busy reading in-between the lines they don't read the lines. You don't need Bible-codes. Some are hopping around the Bible to different verses lucky-dipping so much they get spiritual indigestion.
